IN THE COMMUNITY

Giving back to our community is an important part of who we are at Facility Plus. All of our team members are proud to actively support a wide range of charitable groups and sports organizations. It's our way of sharing our success and making a positive impact in the communities we work and live in.

Whether through financial donations, employee volunteerism or service offerings, we are pleased to be able to support:

- Habitat for Humanity
- United Way
- Cleaning for a Reason
- Boys & Girls Sports Programs
- Adopt-A-Road Sponsorship Program
- and many more!

COMMITMENT TO THE ENVIRONMENT

Facility Plus is committed to reducing our carbon footprint and providing services that help our clients reduce their facility's carbon emissions and energy consumption. We employ a number of green maintenance strategies to protect the environment and meet our clients' needs in terms of responsible energy and water consumption with the use of green equipment as recommended by the Institute of Inspection Cleaning and Restoration Certification (IICRC).

We also work with our clients to document green initiatives for the Leadership in Energy and Environmental Design (LEED) Program.

OUR SERVICES

With more than 25 years of experience in the facility services industry, Facility Plus is a dynamic and fully comprehensive facility services company. We offer you the convenience of a one-stop shop, with the flexibility to tailor services to suit your unique needs. **No job is too small or too big, Just Ask Us!**

Here are some examples of how we can serve you:

Specialty Cleaning

We offer a wide range of professional cleaning services including: office, computer rooms, air vent and duct, window and blinds, industrial plant and warehouse, upholstery, wall washing, construction clean up, high dusting, floor stripping/waxing and much more. If you need cleaning help our expert technicians are at your service!

Carpet & Furniture Cleaning

Our team of IICRC trained technicians have access to green products and use the very best equipment and cleaning processes in the industry. Our goal is to extend the life of your carpet and furniture and protect your investment, while working after hours to minimize any disruption to your business. We follow manufacturer specifications and can assist with one-off issues, or create ongoing Maintenance Programs to meet your needs.

Handyman & Painting Services

Our professional, skilled and uniformed technicians work quickly and professionally with a focus on minimizing interruptions during business hours to complete all of your projects – small or large.

Internal Office Moves & Reconfigurations

Whether you need a small or large scale office move, or you have workstations that need to be reconfigured, we have a team of certified experts that work together to help you plan, cost and carry out your job seamlessly.

Carpet & Flooring Installation and Repair

We can provide you with a wide array of flooring products that are attractive, durable and affordable and we'll give you the peace of mind that they will be installed quickly and correctly. If you are looking for someone to do repairs on existing flooring, we've got you covered!

24/7 Emergency Water Damage & Services

From floods and property damage to other emergency services (e.g., electrical outages and glass breaks), our team has the experience and equipment to assist you in critical times and keep your business up and running.
